Meeting with internationals in order to develop different projects in 35 production sites worldwide. Took ownership and led small projects.

QUALIFICATIONS AND SKILLS

I am very sociable; I love to meet new people and I easily adapt myself to a new environment.

First, my functional skills are problem-solving and organization. As for me, I am an empathic and autonomous person. Leadership also plays an important role in my personality. In a team I don't give orders, but I like to help, motivate and inspire people.

Finally, I studied economics, management and finance. These are indeed my strengths in terms of knowledge.
